Agreement for the use of a classroom license of PCB Layout CAD/CAD

TARGET 3001! DESIGN STATION

The buyer/licensee declares that he exclusively will use TARGET 3001! for educational purposes.

TARGET 3001! can be copied to **16 PC workstations** or copied to a server allowing simultaneous access for **16 users**. It is not allowed to copy TARGET 3001! to a server offering free access for any student and/or to offer it to any student.

TARGET 3001! must not be used commercially in respect to this license. Acting contrarily causes a penalty of EUR 2,500.00. The files generated by TARGET 3001! design station (classroom license) can exactly be identified.

This version purchased must not be sold to third persons or handed out as a gift. Furthermore it is not allowed to hand out the software to pupils/students for use on their private computers.
