Agreement for the use of a classroom license of PCB Layout CAD Software

TARGET 3001!

The buyer/licensee declares that he exclusively will use TARGET 3001! for educational purposes.

TARGET 3001! can be copied in a classroom situation to **16 PC workstations** in order to give simultaneous access for **16 users**. It is not allowed to copy TARGET 3001! to a server offering free access for any student.

TARGET 3001! must not be used commercially in respect to this license. Acting contrarily may cause fines of EUR 2,500.00. The files generated by TARGET 3001! classroom license can exactly be identified.

This version purchased must not be sold to third persons or handed out as a gift. Furthermore it is not allowed to hand out the software to pupils/students for use on their private computers.
